Vitamin E (min)	2000 IU/LB (125 IU)
Biotin (min)	7 mg/LB (0.4 mg)

FEEDING DIRECTIONS:

dac® Orange Superior can be fed with either fortified or unfortified grains. Fortified grains contain added vitamins and minerals and require a lower feeding rate of dac® Orange Superior. Feed dac® Orange Superior at the following rates:

Maintenance: 2 scoops (2 ounces) per horse per day if fed with unfortified grains. Consult an equine nutritionist or dac® if feeding with fortified grain.

Pregnant/Lactating Mares and Performance Horses: 3 scoops (3 ounces) per horse per day. Consult an equine nutritionist or dac® if feeding with fortified grain.

Feeding rate based on 1,000 lb horse.
